

"What I liked best about this program is the variety of classes and places to choose from. The classes were fun and interactive. The people I met through this program were amazing and friendly"

Ruby, University of Wisconsin - Parkside (USA)

"I enjoyed the day trips that we were able to do, such as the Wasserspiel. I also enjoyed traveling to the Tierpark and to other small cities around the area during my free time."

Molly, University of Wisconsin - Green Bay (USA)

"Spending my summer exchange in Uni Kassel was one of the best decisions I've made. It was a wholesome experience. While, there were many wonderful activities planned for us, excursions to the windmill, to Berlin, and many more, Kassel holds a dear place in my heart because of my very loving Host family. Would recommend this well-designed programme to everyone!"

Farah, National University of Singapore (Singapore)
