Create Your Own Experience!

Up for something new this year? Design your own unique academic and cultural experience in Germany with us now and we will be there for you throughout your journey!

TAILOR MADE PROGRAM

With more than 20 years of experience as host to international students and guests the International Universities (IU) Kassel is your reliable partner in providing a wide range of academic and benchmarking programs allowing your students and staff to gain study abroad and international experience right in the heart of Europe.

A PROGRAM SPECIALLY DESIGNED FOR YOU!

The sending institutions are closely engaged in the process of creating the customised programs. We take your prerequisites and specifications into account and together we decide the subjects, credits awarded, excursion destination, number of participants, duration of the program, type of accommodation as well as the cultural program. Thus, the established program corresponds to your needs.
